

Privacy Policy for FX Radar by FX Airguns

Last Updated: 24.4.2024

Welcome to FX Radar by FX Airguns. We are committed to protecting your privacy. This Privacy Policy outlines our practices concerning the handling of your information collected through our app, FX Radar, which utilizes Google Drive as a backup solution for app data.

1. Information We Collect

FX Radar does not collect or store any personal information from our users. The app is designed to use Google Drive for the sole purpose of backing up app data directly from the user's device.

2. Use of Google Drive

FX Radar uses Google Drive to store backup data. This backup is handled entirely through the app on your device, and FX Airguns does not have access to this data. You must grant the app permission to access your Google Drive account for the purpose of backing up and restoring your data. Please note that Google's privacy practices govern the use of Google Drive, and we encourage you to review the Google Drive Terms of Service and Privacy Policy.

3. Data Security

As we do not collect, store, or process any personal data through the FX Radar app, we do not maintain servers for data storage. All data management is performed locally on your device and through Google Drive, under your control.

4. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
